Société Générale may engage in trading in the Leveraged Index or underlyings referenced by the Leveraged Index (for hedging reasons, on behalf of third party clients or on own account) which may adversely affect the level of the Leveraged Index.

Additional conflicts of interests may arise due to Société Générale and/or any of its affiliates acting as issuer and calculation agent of the product on one hand, and sponsor of the Leveraged Index on the other hand. Although Société Générale strictly defined the responsibilities of the different teams involved within Société Générale and its affiliates, such conflicts of interests may trigger negative consequences for investors.
